

THE 'BELL' BUGLE

...The Bell in Studham 'An Award Winning Pub!' JULY 2024

Ding Dong,

Hot off the press the latest news from The Bell in Studham! And with Summer upon us **we are here for you!...** Whether this is to retreat to after a nice walk along one of the many that surround us, an exhilarating bike ride, a quiet drink and a bite to eat, popping in to browse our gifts with coffee & cake or catching up with friends and family with maybe a celebration! We are here with a warm welcome. Talking of **functions**, if you are looking for a venue for a smaller gathering of approx. 30 and would like it in the week or a Saturday then we can offer our restaurant with access to our large garden with beautiful views and a buffet. Please just send an email or give us a call to see how we can help whether it be to celebrate an occasion or to pay your respects with a wake for a loved one. Talking of celebrations! ...We will have been at The Bell 20 years in August!...And to mark this occasion we shall be celebrating – keep an eye out for the details!

It has certainly been a roller coaster of a ride and created so many memories with so many laughs and the occasional tear. It was particularly sad this year after losing my dad who was not only a partner with us here at The Bell but one of The Bell's biggest fans. He was so proud of the little gem that we had created with the help of you and everyone and the awards that we have won. When in the area, there was nothing more that he enjoyed than some banter around the bar accompanied by some snacks and a pint of ale or a whiskey loaded with ice...

Everyone has their own memories of The Bell and it certainly continues to feel like so much is changing and here at The Bell all we can do is try to change things for the better and with your help that's all we shall endeavour to do. This may mean a few adjustments and changes what with opening times and products but it is important to us to keep The Bell not only viable but keep all the things that we believe make it a special place – that will allow new memories to be made. As much as we appreciate the history of The Bell and 'the good old days', we have to find a way for The Bell to continue to stay open and prosper in these ever changing times. That is why we look to you for your support and word of mouth. The Bell is a grade II listed building, over 500 years old so it's our responsibility to honour it's wonderful past whilst finding a way to take it into the future.

So with this sentiment in mind, we hope you will visit us soon, we equally hope you enjoy your visit and then shout it from the roof tops!

Reviews we immensely appreciate, taking the time to write them but word of mouth speaks volumes and I want to thank you for all the support you have given us.

With the holiday period upon us, do you have a camper? Or know of anyone who has a camper? And would like somewhere to park it overnight? Then please email us!... So we know that you are coming. All we ask is that you eat and drink at The Bell in Studham, be mindful of rubbish and of course spread the word...

Looking for a TAKE-AWAY then we offer most of our dishes for collection with the best of English & Italian & a 10% discount off the main menu that can be found on our website.

Love fish & chips – Great! We are now your friendly 'chippy' too, price matched to others so you can order your favourite and maybe enjoy a drink while you wait and then take a little bit of the Bell home with you to enjoy in the comfort of your own home.

But we love seeing you here! And through the *Summer* we would love to welcome you into our beautiful garden with panoramic views, whether it be for just drinks, a fun cocktail or a bite to eat with the best of English & Italian. Freshly prepared dishes for you to enjoy.
