...The Bell in Studham 'An Award Winning Pub!' October 2020

## Ding Dong,

Hot off the press the latest news from The Bell in Studham! So here we are open again and a few months into the new routine's and way of life. How are you? We hope you are well and finding your own way through all the changes. We are all well and together doing what we can to ensure the doors stay open whilst working around what it seems are the ever changing rules and regulations but the support we have had has been much appreciated and means a lot to the whole team. It is so important to us to know that when you visit us that you not only enjoy what we have to offer with our food, service and gifts but at this time that you feel safe.

We are taking the hygiene seriously as we believe this may be something that we all have to learn to live with and the safety of everyone is paramount to us. With 2-4 hours daily morning cleaning and a regular cleaning schedule in place for throughout the day we hope this along with the Perspex around the bars, table screens, ppe and wall mounted hand sanitizers goes some way to give you some peace of mind.

If you have not visited us yet we hope you may soon in the knowledge that we will do all that we can to look after you and that you have a nice time, if however you are more comfortable at home at this time then we can offer you our takeaway option. Most of our dishes are available as a takeaway to be enjoyed in the comfort of your own home. Simply phone through your order and either pay over the phone or upon collection. You can pick up from the study bar but if you would rather not come inside, just mention this when you are ordering and then collect from the collection point in the back garden. (Delivery coming Soon!)

As well as most of the main menu that is available as a takeaway which includes pasta dishes, homemade pies, fish and chips and more there is of course also our popular Sunday Roasts with all the trimmings. Meats vary but mainly consist of Chicken, Beef, and Lamb or enjoy a selection of 'Mixed meats' and a vegetarian Nut Roast. Gravy is packed separately to allow you to add as much or as

little as you like. If you have any allergies please don't forget to let us know and vegan dishes can be recommended. As well as the main menu there are often Chef's Specials alongside.

This weekend is **Halloween** and of course different again from previous years, so there won't be a kids Halloween party but we do have a selection of sanitised kids treats, crafts, word searches and quizzes that our team will be happy to hand out if you are visiting us this weekend. We have a few decorations up but not Uncle Fester this year as he is shielding but instead look out for our new 'visitor' lurking out the front! If you are staying at home we have a great HALLOWEEN OFFER...2 for 1 on a TAKEAWAY with these dishes: ANY PIZZA, FISH & CHIPS, LASAGNE, TAGLIATELLE (CHICKEN OR MUSHROOM), THE BELL BURGER & CHIPS. **Tel: 01582 872460.**

We have had a few enquiries about, yes...Christmas. Sorry if it's still a bit early for you but here goes...We shall be open, hopefully unless guidance changes again. We are taking reservations and our Christmas Menu will be available as of next week. This can be picked up in house or downloaded from our website or alternatively please email me and I'll be happy to send it to you. We won't be offering group bookings as we still feel smaller numbers are wiser at this time but we will be offering our Christmas menu as a takeaway! Not only throughout December but also for CHRISTMAS DAY. New Year's Eve we are still working on due to the 10pm restriction, so will keep you posted. **Looking for a gift? We have lots dotted around.** You don't have to be eating to have a browse, just pop in but please don't touch unless you are buying or ask a member of the team for some gloves, thank you. Not sure what to buy? Then our GIFT VOUCHERS may be just what you are looking for!

We are open most of the time now apart from Tuesdays all day and Wednesday lunchtimes.
